SCENE 01

# Sledding Afternoon

Ben and his puppy, Pip, have reached the top of the snowy hill. Their friends are waiting below, ready to build a snow fort together. Ben settles behind Pip and takes one happy breath. This little ride is the beginning of a very big afternoon.

LET'S IMAGINE TOGETHER

Where do you think Ben and Pip will stop?

Who would you invite to go sledding?

What might their snow fort look like?

What would you tell Mom about this ride?
